## Animalytix Expands Data Provider's Network with Animal Medic, NEVSCO and Stockmen's Supply

June 15, 2017—Kansas City, MO—Animalytix, the exclusive source of near real-time animal health market information and insights, continues the expansion of the animal health industry's most comprehensive sales database with the addition of three new regional distributors to the company's network of participating animal health distributors—Animal Medic, Northeast Veterinary Supply Company (NEVSCO), and Stockmen's Supply. Through its partnership with the leading US animal health distribution companies, Animalytix provides market insights for more than 8,000 products sourced from over 500 manufacturers.

Animal Medic, based in Pennsylvania, is a leading supplier of dairy health supplies in the Northeastern United States, serving customers from Maryland to Maine since 1970. NEVSCO was founded in 2004 as a regional distributor of companion animal and equine veterinary products, and now serves veterinarians from North Carolina to Maine. Stockmen's Supply has been selling both companion animal and livestock products from its North Dakota location since 1956.
