Animalytix Contributes \$25,000 to Spirit of Service Award Winners

August 29, 2017—Kansas City, MO—Animalytix, the exclusive source of near real-time animal health market information and insights, contributed \$25,000 to Kansas City Animal Health Corridor’s 2017 Spirit of Service Award winners—the Heartland Therapeutic Riding Center and the Lakemary Ranch. The award, conferred at KCAHC’s annual Homecoming dinner, recognizes not-for-profit organizations in the Kansas City region and around the globe that work to improve the health and lives of both animals and people.

Selected by KCAHC Board Members, both organizations received a cash award of \$12,500 to fund their work with disabled children and adults. Heartland Therapeutic Riding Center improves the quality of life of its clients through equine-assisted activities and therapies. Lakemary Ranch uses a variety of animal therapies and a sensory garden to help children and adults reach beyond their disabilities.

Chris Ragland, CEO of Animalytix, says he’s impressed by the commitment, compassion and capabilities of these charitable organizations. “These non-profits provide a great service to the community and make a positive difference in so many lives. We are very pleased to have this opportunity to support these great organizations and lend our support through the KC Animal Health Corridor’s Spirit of Service Award,” says Ragland.
