### **Vet Med Center Joins Animalytix Data Provider's Network**

Animalytix LLC is pleased to announce the addition of Vet Med Center to its network of participating animal health distributors. Veterinary Medicine Center is located in Worthington, MN and is known for excellence in swine production medicine. Recently dairy production medicine has become an additional specialty as the organization works to serve the expanding dairy industry in their region. The VMC large animal division also includes a variety of quality animal health supplies, vaccines, and animal health handling equipment. The veterinarians at VMC are licensed to provide service to swine, beef, cow/calf, dairy, dairy calf grower, sheep, poultry, and equine clients in Minnesota, Iowa, South Dakota, North Dakota, Nebraska, Kansas, Missouri, and Montana.

#### ABOUT Animalytix LLC

Animalytix, through its partnership with the leading US animal health distribution companies, is unique in its ability to provide actionable commercial insight to manufacturers, investors, lenders and financial analysts with an interest in this dynamic and expanding market. Animalytix currently publishes more than 20 monthly market surveys reflecting sales of pharmaceuticals, vaccines, nutraceuticals and veterinary supplies for use in pets, horses, swine and cattle totaling \$5 billion in sales revenues on an annual basis. The monthly surveys provide sales trending insights for more than 5,000 products sourced from more than 500 manufacturers.
