

Programming with Impact

2020 Spirit of Service

The human-animal bond and supporting organizations that serve the most vulnerable through a connection with animals has never been more important. The 2020 Animal Health Summit is bringing Programming with Impact. This must-attend LIVE program on Wednesday, September 2, from 11-12:30 CDT is available for an additional \$100. All registration proceeds will be donated to [Retrieving Freedom](#) and [Symbiotic Behavioral Treatment Center](#).

PROGRAM

Animalytix CEO Chris Ragland will lead a review of the major market trends shaping the animal health industry as well as identify emerging trends in market behaviors.

M/A/R/C Research Senior Vice President and Animal Health Group Leader Brad Seipel will provide results from their third survey detailing behaviors, attitudes and feelings of pet owners in a post COVID-19 environment.

All proceeds for LIVE Programming with Impact, less any applicable credit card processing fees, will be donated to [Retrieving Freedom](#) and [Symbiotic Behavioral Treatment Center](#).
