Animalytix CEO Provides Market Overview for Parnell Investor Day

Animalytix CEO Chris Ragland was a guest speaker at the Parnell Investor Day held at NYC's Palace Hotel. The key presentation of the day centered on the release of new trial data for Parnell's osteoarthritis therapeutic, Zydux[®], which is being developed for use in dogs and horses.

Ragland provided both an overview of the animal health market's year to date performance as well as insights into the unmet needs of developing markets including osteoarthritis, atopic dermatitis and cancer.
