Fairmont Veterinary Clinic Joins Animalytix Data Provider's Network

Animalytix LLC is pleased to report that Fairmont Veterinary Clinic is the newest member of the company's network of participating animal health distributors. The Fairmont Veterinary Clinic (FVC) was founded in 1959 and today serves swine and beef producers in south central Minnesota and beyond. With the assistance of an excellent staff, the Fairmont team consults provides a broad array of services across multiple states. In addition to consulting and traditional medicine, the organization is active in research and development both at the Clinic as well as with partner organizations.

About Animalytix LLC

Animalytix, through its partnership with the leading US animal health distribution companies, is unique in its ability to provide actionable commercial insight to manufacturers, investors, lenders and financial analysts with an interest in this dynamic and expanding market. Animalytix currently publishes more than 30 monthly market surveys reflecting sales of pharmaceuticals, vaccines, nutraceuticals and veterinary supplies for use in pets, horses, swine and cattle totaling \$6.5 billion in sales revenues on an annual basis. The monthly surveys provide sales trending insights for more than 8,000 products sourced from more than 500 manufacturers.
